

C. Remarks

The claims are 1-24, with claims 1, 2 and 4-7 being independent. Claims 3 and 8-10 have been amended solely to eliminate multiple dependencies and correct improper multiple dependencies. New claims 12-24 are based on subject matter excised from claims 3 and 8-11 as a result of elimination of multiple dependencies. The Abstract has been amended to reduce its length in order to comply with formal requirements. Applicants stress that these actions are taken without prejudice or disclaimer of the subject matter deleted from both the claims and the Abstract.

No new matter has been added. Favorable consideration of the claims and expedient passage to issue are respectfully requested.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our below listed address.
